Hollywood's Insider Secrets

HORROR & SPECIAL FX MAKEUP

Hosted by **Legendary Horror Actor Michael Berryman**
(The Hills Have Eyes, Devil's Rejects)

"An informative way of learning some of the best kept secrets of make-up artistry."
- **Jeremy Meyer, Celebrity**

Provides insider techniques used in horror films and haunted houses. From zombie looks, to skin decay and gashes, top Hollywood makeup artist Christina Rodriguez breaks down difficult methods into simple and easy to understand steps.

Whether you're an industry veteran or a makeup enthusiast, this program will make you an expert! With the phenomenon of movies such as Twilight and The Walking Dead, the interest in special effects makeup is at an all time high. This series satiates the interest and demand of learning how that art and magic is created. The gore and magic of "Horror and Special FX Makeup" to day to day "Classic Hollywood Makeup" ...the spectrum is covered with this complete program.

Featuring top Hollywood makeup artist Christina Rodriguez, this program teaches and educates makeup and special effects artists and beauty industry professionals alike. Christina will effectively take you through some of the inside secrets that are used in the makeup industry today, share time tested techniques and focus on some of the most fascinating and creative techniques that allow aspiring makeup artists to create a myriad of looks. We'll show you all the "tricks of the trade," and how to create horror and special FX.

This program breaks down several techniques that can be used to create a multitude of monsters and FX characters. Techniques include: skin preparation, coloring for different layers of dead flesh, sponge and brush color technique, creating veiny and discolored eyes, creating a rotting mouth and tongue (including secret formula for "zombie mouthwash"), sculpting skin to create cuts and gashes, molding gashes into existing skin, blood modeling, color technique for blood and scarring skin.

CLASSIC HOLLYWOOD MAKEUP

Hosted by Kim Poirier (Dawn of the Dead, Mad Men), top Hollywood makeup artist Christina Rodriguez walks you through one of the most popular and requested looks on a film set, the "clean face." Great step-by-step instruction shows how to create a flawless complexion by highlighting the face to look natural as if the person has "no makeup." Christina takes you through the transition from a clean face to an old school Hollywood look, layering makeup to create a classic look for red carpets including dramatic eyes, how to apply fake lashes, how to contour the face with shadows and apply powders that will photograph under heavy lighting. Color techniques are also shown, including a color wheel for concealing blemishes as well as the colors that should be used on both light and dark complexions.
