

Welcome to the most complete pet training library available!

Books On Video

The **Pet Video Library** draws from over 40 years of experience with a wide variety of the world's most popular pets including dogs (over 53 top breeds), small animals (hamster, rabbit and ferret), aquatic series and bird DVD titles!

The tag line, "**Books on Video**", really captures the essence of the philosophy behind these high quality productions. Each title is individually scripted and produced utilizing the latest in Hollywood production techniques. Upon viewing these videos, you'll find that they've included animation, custom graphics, proprietary music and expertly filmed pets and people of all ages.

The **Pet Video Library** was developed as a means to educate and entertain while learning about your favorite animals and to fill the demand for a quicker, more interactive and concise alternative to just paying for and reading expensive books. Over two years of research and development went into the **Pet Video Library** series.

Content is divided into chapters so that referencing by the viewer is extremely easy.

DVDs Only \$34.95 Each - Please see reverse side for complete list of titles
